## Our **Commitment**

Postsecondary education today is in a constant state of evolution, and Cambrian intends to lead. Cambrian's new five-year strategic plan is built on the unwavering foundation of its commitments to:

- Student success
- 2 Fiscal responsibility
- Our people and our service culture
- Organizational performance

## Our Mission, Vision, and Values

Cambrian's plan is anchored in our Mission, Vision, and Values that underscore and depict the College's aspirations for its future.

#### Mission

- To offer a comprehensive program of career-oriented, postsecondary education and training to assist individuals in finding and sustaining meaningful employment.
- To meet the needs of employers and the changing work environment.
- To support the economic and social development of our diverse community, locally and globally.

#### Vision

• Our vision is to imagine the impossible, to inspire one another and to innovate in ways we have yet to fully explore. To envision the impossible and work together to achieve what we envision.

#### Values

- Innovation
   Respect
   Collaboration
   Excellence
- 2019-2020 BUSINESS PLAN 1

## Our Goal and Objectives

Cambrian College's Strategic Plan 2020–2025 is visionary. Broad in its reach, it stretches beyond what is necessary to what is possible, and even, what is seemingly implausible. It is not constrained by simply what is straightforward or practically realistic. It is built with the intention of redefining and changing lives and communities defined by one singular goal – to be a college of choice.

To achieve this, Cambrian will focus on 8 core objectives.

- Excel in Teaching and Learning
- 2 Modernize the College
- 3 Think Globally
- Respect Indigenous Cultures
- 5 Advance Applied Research
- 6 Enhance College Wellness
- Promote a Sustainable Campus
- 8 Grow and Steward Industry Partnerships.

#### The objectives are further segmented into three types of accountabilities

#### Foundational

Core and must-do priorities that ensure we are industry standard.

#### Transformational

New and stretch priorities that help us keep pace with competitors.

#### Aspirational

• Blue sky and future thinking priorities that reach beyond even our most progressive competitors.

## **Actioning** our Objectives

1.0 OBJECTIVE - EXCEL IN TEACHING AND LEARNING by leading the way in pedagogy, teaching models and learning modes, including flexible, traditional, hybrid and online approaches that meet the diverse needs of modern learners.

#### FOUNDATIONAL: Create a more flexible, inclusive, and responsive academic learning experience

- 1.1 Review Teaching and Learning Framework.
- Initiate a process to introduce college-level outcomes that flow from the College's Strategic Plan. 1.2
- 1.3 Establish a quality assurance model for online learning.

#### TRANSFORMATIONAL: Diversify our credentials and offerings to remain responsive to the changing needs of the 21st century work environment

- Increase work integrated learning opportunities for students by increasing simulations, virtual reality and 1.4 augmented reality, virtual placements, 'placement replacements' and job out opportunities.
- 1.5 Introduce new delivery models and intakes.

#### **ASPIRATIONAL:** Become a philanthropic beneficiary of choice for our partners.

- Introduce a center for corporate and specialized training for all partners. 8.6
- 8.7 Execute a successful fundraising campaign.

### **Budget** Overview

Cambrian's Board of Governors approved a balanced budget for 2020/21. Adjustments to the budget were necessary due to the COVID 19 pandemic, including revised enrolment estimates, and additional COVID related expenses.

#### **Assumptions**

Below are some of the assumptions that were used in the 2020/21 budget:

#### Revenues

- Grant projections were based on the College Funding Framework, including the introduction of Corridor Funding.
- Domestic Tuition fee rates remained frozen in accordance with the 19/20 Tuition Fee Framework.
- International Tuition fee rates remained flat as approved by the Board of Governors.
- Enrolment projections included a 15% year over year decrease in domestic enrolment. International enrolment was budgeted assuming minimal new international students.
- Other and ancillary incomes including parking, residence and contract training were reduced based on the expectation there would be limited access to the College campus.

#### **Expenses**

- Labour expenses were estimated as required to meet expected enrolment levels and in accordance with the College's various contracts and to reflect movements through pay grids.
- Other expenses were reduced to reflect the reduced campus activity (international commissions and student supports, decreased facilities costs, reduction of professional development, travel and special events) and to reduce expense items to the amount spent in 19/20.

#### **External Factors**

There are external challenges present in the post-secondary environment that either currently impact or could impact our results.

## Domestic and International enrolment The 2020/21 budget includes estimates for both domestic and international enrolment that were reduced significantly due to the potential impact of the pandemic.

#### 2. COVID Related Expenses

The 20/21 budget includes estimates and contingencies for expenses that may arise due to COVID including increased cleaning, personal protection equipment (PPE) and items to support virtual delivery and physical distancing.

#### 3. Tuition Fee Framework

The province introduced a new tuition fee framework that required the College to freeze domestic tuition fees in 20/21. This tuition fee freeze has been built into the College's 20/21 budget and future projections.

#### Financial Commentary

For the 2020/21 budget year, the College was able to balance the budget due to the implementation of aggressive financial sustainability strategies. The decrease in tuition fees resulting from an expected decrease in enrolment was offset by reductions in related expenses and a significant reduction in discretionary expenses where applicable. For 2020/21 due to previously accumulated surpluses and capital grants received, the College will be able to invest approximately \$5M in various priorities including deferred maintenance, academic teaching and learning equipment and space, and information technology upgrades.

The focus in the next year will be to achieve financial sustainability despite the uncertainty of the impact of the pandemic on enrolment and campus operations.
